FWAS is also grateful to Greg Cook who spent more than a year gathering, researching and compiling data collected from thousands of records by many observers. Thank you to all of the observers who kindly contributed their records for review and incorporation into this edition.

If you are interested in purchasing the pocket-size booklet of this checklist, please contact one of the Fort Worth Audubon Society's Board Members at our general meetings or by using the contact information on our website: *www.fwas.org*
