

# Birds of Tarrant County Field Checklist for Winter (December-January-February)

The species listed and their graph of occurrence data on this checklist is taken from the 2012 Edition of the Fort Worth Audubon Society's *Birds of Tarrant County Field Checklist and Graph of Occurrence* booklet. The Winter list only includes species that are normally observed in Tarrant County during the months of December, January and February. This list does not include Accidental and Casual species observations. A complete list for all yearly recorded observations is posted on our website at [www.fwas.org](http://www.fwas.org). © 2012 Fort Worth Audubon Society
