 US = Flagged as an unusual species  
 HC = Flagged as an unusually high count  
 LC = Flagged as an unusually low count

## Species Requiring Rare Bird Reports to be Submitted to Regional Editor

Species

### Special Aspects

The only issue with the count this year is that a light, blowing mist started in about 3:00 PM when many teams were stilling working . That turned into light rain and increased wind by 3:30 PM, driving most of the teams to give it up.
